LINKING PEOPLE | BUSINESS | TECHNOLOGY

Connectivity for Home Offices

If you have a small office/home office business with up to 2 employees, you're in the right place. We understand your needs as a service provider or shop owner, and have tailored solutions for you that will benefit you and your business.

POS Payment Connectivity

XLink leads the market in providing efficient, cost-effective, tailored, secure and managed payment solutions to help you grow as a SOHO business.

Mobile POS Connectivity

XLink's Mobile POS Solutions include our SIM Connectivity Solution and our Transaction Monitoring Solution.

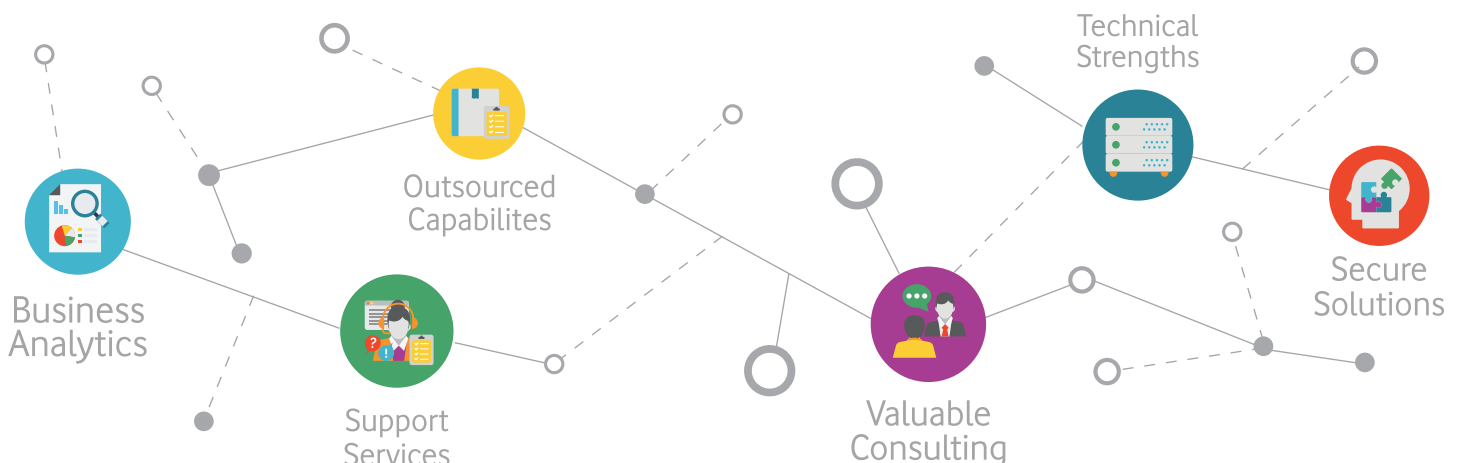

GSM-enabled POS Connectivity

We have a range of GSM-enabled POS Connectivity Solutions including modems, Transaction Monitoring, maintenance cover and replacement cover.

WE ARE ACCREDITED AND COMPLIANT

- Secure Compliant Solution (PCI DSS)
- Expert Certified Installation (QIR)
- Regulatory approved technology (ICASA)
- Verified by network operators
- National support network
- Trusted by major banks

WE ARE CONNECTIVITY ORCHESTRATION EXPERTS. HOW CAN WE LINK YOU TODAY?
